Our story

Catberry stands for wonderful enjoyment
with a nod to our planet!

We started in 2017 because we found little to no
plant-based alternatives and where you can be
amazed that you wouldn't taste any difference.
Every day we strive to give you the best experience
with the highest quality pastries.

Are you still looking for a fantastic birthday cake,
the perfect wedding cake, a complete buffet for your
baby shower or are you just looking forward to an
afternoon full of goodies with friends or family?

Then simply order your pastries
via the website!
